## SUCCESS INDICATORS:

**Graduation rates** are based on the number of students who successfully graduate from a specific starting cohort. ECCU establishes annual cohorts to track successful graduation rates. **Completion rates** demonstrate the average time it takes a student to complete a degree program from a specified starting date. ECCU tracks average completion rates from the term the student starts and becomes active in the program to the term in which they complete the program.

- **Graduation Rate** for the most recent Master's program cohort (2021) is currently 75%; projected Graduation Rate for the current 2022 cohort is **75.9%**
- 2022 **Completion Rate** for graduates of the Master's program continue to be successful at **87.5% of the normal time given for the program – according to this data, the average is completing their degree faster than expected.**
- **2022 Student Satisfaction** Survey responses:
  - 93.8% = Did you achieve, or will you have achieved upon completing your studies, the goals you had when you started this course or program?
  - 93.8% = All things considered, were you satisfied with your studies at ECCU?
  - 89.6% = Would you recommend these studies to a friend?
- Overall Retention Rate for 2022 is 91.55%
- As of the 2022 survey, job placement data indicates that of those polled, 50% reported immediate employment following graduation, 25% reported employment within three months of graduation, and 25% reported employment within six months of graduation. 100% reported their education at ECCU enhanced their career by improving competence and performance and provided both theoretical and practical training for the real-world environment.
